

Curriculum Vitae- Christopher Duffill

Skills

- Mechanical and low voltage electrical work, experience in pneumatic and hydraulic systems
- Fabrication and welding experience, and a good knowledge of fault diagnosis and repair
- Able to operate a variety of hand/machine tools

Chris is highly resourceful and reliable. He has a positive attitude and is willing to learn new skills.

He possesses self discipline, is able to work well in a busy environment, to prioritise his own workload, and work well as part of a team.

He has very good communication and problem solving skills.
